

I&M Machine & Fabrication Corporation

Quality Policy:

Rev.C
01/29/2009

“WITH I&M’S CONTINUALLY IMPROVING QUALITY SYSTEM AND TRAINED WORK FORCE, WE WILL DELIVER A QUALITY PRODUCT THAT MEETS OR EXCEEDS OUR CUSTOMER’S REQUIREMENTS.”

Objectives:

- Have a trained work force by continually improving communications between departments and management.
- Continually improving the quality system to deliver a quality product by the use of preventive & corrective actions of non-conformances.
- Satisfy the customer by meeting or exceeding their quality requirements.
